Around the world, credit unions are quietly changing lives and helping to break the chains of poverty. Help us bring the credit union difference to **those who need it most.**

“Our credit union finds it a good marketing, legislative and human resource tool to be a WOCCU Supporter. Personally, supporting the Directors’ Action Fund gives me an opportunity to show my commitment to poverty alleviation, democracy, peace and even equality, all outcomes of WOCCU’s development work. In my 16 years of volunteering, I have never experienced more fulfillment in giving to a more worthy credit union cause.”

Joseph A. Guagliardo, DIRECTOR
MUNICIPAL CREDIT UNION, NEW YORK, NY

“Supporting WOCCU helps me feel like I’m giving back to other credit union directors who don’t have the same training opportunities and resources available. Our small gift can make a real difference in a developing country.”

Gayle Adkins-McDonald,
DIRECTOR
WATER AND POWER CREDIT
UNION, LOS ANGELES, CA

“Supporting WOCCU’s efforts allows everyone to extend a helping hand to credit union directors who do not have the financial means to support educational training opportunities. Each year our contributions make a significant difference to our credit union associates in developing countries, advancing the credit union philosophy of people helping people around the world!”

Frank J. Felix, PH.D., DIRECTOR
