

SUPPORTER OPPORTUNITIES AND BENEFITS

WORLDWIDE FOUNDATION
for CREDIT UNIONS

World Council

Join the global movement and advance credit unions worldwide through a donation to the Worldwide Foundation for Credit Unions, the official gift-receiving and fundraising arm of the World Council. Your donation will allow us to **champion** the credit union difference, **connect** the global credit union community and **equip** people with access to high quality and affordable financial services. Funds raised by the Foundation will support credit union development in low-income countries; the Global Women's Leadership Network; the International Partnership Program and the Busia orphanage project in rural Kenya.
