World Council Young Credit Union People (WYCUP) program is an annual scholarship and program to promote and engage the next generation of credit union leaders in the international credit union movement. The scholarship is awarded to five outstanding nominees who have made significant contributions to their credit union systems and have the potential to make a global credit union impact.

The 2017 WYCUP scholarship will be awarded at the World Credit Union Conference in Vienna on July 23–26 for an all-expense-paid attendance at the 2018 World Credit Union Conference.

Why you should be a WYCUP nominee:

You are 35 or younger, you are passionate about credit unions and you are making a difference in your community. Join a tight-knit group of young professionals from around the world to learn about the phenomenal work they do and share your own experience during the WYCUP program in Vienna.

Why your organization should sponsor you:

By attending the WYCUP program offered at no charge to conference attendees under age 35, not only will you learn new concepts and practices from the educational sessions, but you will have the opportunity to meet other young professionals and exchange ideas about the most critical issues facing credit unions around the world. Credit unions need to invest in their future—and that means investing in young leaders like you.
