OUR PURPOSE

DO GOOD. DO GLOBAL GOOD.

Strengthening the international credit union movement through global philanthropy

THE PROBLEMS WE SOLVE

Financial Exclusion: 1.4B people lack access to finance

Gender Inequality: Only 30% of CU CEOs are women; just 30% of boards reach parity

Talent Shortage: Young professionals lack leadership pathways

Disaster Relief: Communities face climate, war & crisis shocks

Movement Disconnect: A gap in understanding and impacting our global movement

TUNE IN → TO THE CHALLENGES SHAPING OUR FUTURE

Worldwide Foundation for Credit Unions

Our Work

Advancing financial inclusion and sustainable livelihoods using credit unions in partnership with World Council of Credit Unions.

Connecting and empowering women to lead change across the movement.

Developing emerging leaders and expanding global youth engagement.

Deepening cooperative understanding and purpose through immersive global learning.

Delivering rapid disaster relief and long-term recovery support for credit unions and communities they serve.

Curating international learning experiences that strengthen credit unions.
