

WHO WE ARE

The Worldwide Foundation for Credit Unions (WFCU) is the philanthropic engine of the global credit union movement and a strategic partner of the World Council of Credit Unions (WOCCU).

Together, we unite advocacy, philanthropy and global expertise to strengthen credit unions worldwide.

WHAT DRIVES US

People helping people

Global solidarity

Cooperative impact

OUR ROLE

→ Funding global impact

We mobilize resources from the credit union community to support financial inclusion, innovation, and resilience worldwide.

→ Leading in a new reality

With the loss of major funding like USAID, WFCU plays a critical role in sustaining global development and building new funding pathways.

→ Telling the movement's story

We turn impact into stories—connecting global challenges with real human outcomes that inspire action and support.

WHAT WE DO

• Empower leaders

• Respond to crises

• Advance financial inclusion

Supporting credit unions to reach underserved communities worldwide

THE CHALLENGES WE ADDRESS

- 1.4B people lack access to financial services
- Only ~30% of credit union leaders are women
- Limited opportunities for young professionals
- Ongoing global crises (climate, conflict, economic)
- Low awareness of the global credit union impact

OUR FOCUS (2026–2027)

1. Connect the movement

Global partnerships, leadership, shared experiences

2. Grow philanthropy

More funding sources, stronger donor engagement

3. Build resilience

Development, disaster response, sustainable growth

WHY IT MATTERS

400M+ MEMBERS. 100+ COUNTRIES. ONE GLOBAL MOVEMENT.
WFCU ENSURES IT IS FUNDED, CONNECTED AND GROWING.
