

GLOBAL DISASTER RELIEF | IMPACT REPORT 2025–2026

Worldwide Foundation for Credit Unions

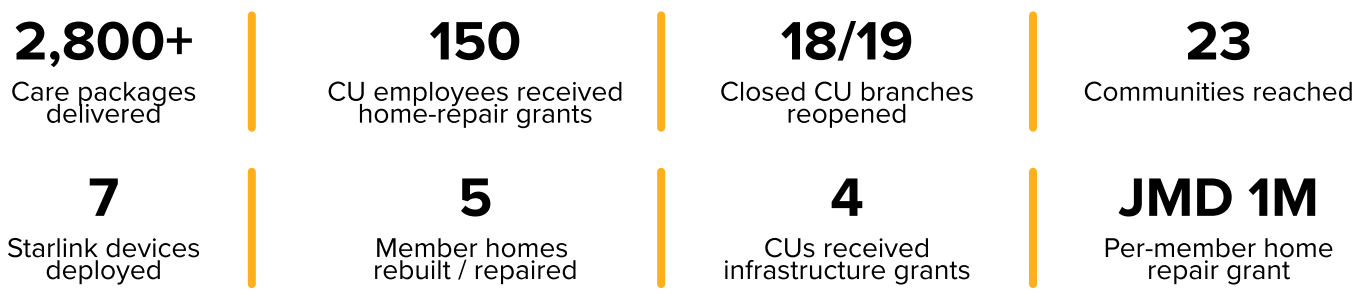

At a Glance: Combined Impact

JAMAICA — Hurricane Melissa

WFCU Contribution: USD 95,000

On 28 October 2025, Hurricane Melissa (Category 5) struck Jamaica, leaving 45 dead, 300,000+ affected, and USD 7 billion in losses. WFCU deployed USD 95,000 in partnership with TruStage Foundation — one of many international donors who rallied to support Jamaican credit unions.

What the funds covered

- 2,800 care packages — food, water, tarpaulins and hygiene items — to 23 communities across 6 parishes
- 7 Starlink devices restored connectivity for 6 credit union branches
- 150 employees received tiered home-repair grants based on damage severity
- 4 credit unions received grants for solar systems, generators and replacement equipment
- 5 members received grants to rebuild or repair their homes
- Essential supplies also donated to schools, children's homes and elderly care facilities

“This is wonderful news. Please extend our sincere gratitude to your donors for their generosity. May God continue to bless you richly.”

— Robert Ramsay, JTA Credit Union

“I have never been particularly articulate, so instead please accept my humble and heartfelt thanks; we are truly appreciative. Do share our gratitude with our partners.”

— Robert Howell, General Manager, Trelawny Co-operative Credit Union

VIETNAM

— 2025 Flood Disasters

WFCU Contribution: USD 11,500

Vietnam endured 19 consecutive storms in 2025 — 409 dead or missing, 727 injured, USD 3.5 billion in losses. WFCU channeled USD 15,000 through Asian Confederation of Credit Unions to Co-opBank, which coordinated emergency equipment support for People’s Credit Funds (PCFs) across the country.

What was delivered

- Computers, printers and cash-counting machines to 15 PCFs
- Formal handover ceremonies conducted at each location
- PCFs quickly restored member services and operational continuity
- Co-opBank contributed USD 1,677 alongside the WFCU/ACCU grant

“Support enabled affected PCFs to restore operations quickly, stabilize services, and continue serving members.”

SRI LANKA

— Cyclone Ditwah

WFCU Contribution: USD 6,500

Cyclone Ditwah — Sri Lanka's worst natural disaster in 20 years — caused catastrophic flooding, landslides and mass displacement. WFCU funds channeled via Asian Confederation of Credit Unions enabled the Nikaweratiya SANASA Union to launch a zero-interest emergency lending program for flood-affected members.

How funds were used

- Zero-interest loans disbursed to 76 flood-affected members across 7 societies
- Livelihoods supported: paddy farming, vegetables, retail, small hotels, tailoring, brick-making
- SANASA Federation co-contributed LKR 278,574 alongside the WFCU/ACCU grant
- Revolving model: repayments reinvested into the cooperative system

When disaster strikes, the global credit union family comes together.
